Dep. Smith

ORIGINAL REPORT     SUPPLEMENTAL REPORT    PAGE \_\_\_\_\_ OF \_\_\_\_\_

Incident Type: \_\_\_\_\_  Felony Only     Felony & Misdemeanor

Victim: Wilt Hilliard     Misdemeanor Only     Other

Suspect: \_\_\_\_\_    Report Date: \_\_\_\_\_

The morning of 5-02-2007 we began work surveying. After working for a while, Mrs. Nellie Sue Worly approached Mrs. A. Bush, ~~and~~ and complained and argued why she was there. Mrs. Worly then spun off and turned around flying down the road back to her house. I, shortly later, walk out into a field to survey a power pole. Mrs. Worly jumped in her truck and very fast drove toward me. At that time the officer saw what was happening but Mrs. Worly stopped, did a donut, and dumped trash out of her truck and speeded back up toward her house almost running over her own dog and fence. Mrs. Worly left her house, spinning out of driveway, and drove very fast down the road by the surveyor and officer. After lunch, Mrs. Worly pulled up to our survey vehicle and stop in road, confronting us about why the officer was here and said she was staying with us the rest of the day. Mrs. Bush explained to her that Mrs. Worly spun off down the road and when she came back by she was driving very fast and close to us. 5-02-07 W.D. Hilliard

BYRON FREEMAN  
316 EDMOND CT  
CARROLLTON, GA 30114  
(WTR) 794-2031  
DOB 12-13-1981

I ARRIVED AT THE PROJECT SITE LATE MORNING AFTER THE AM CONFERENCATIONS. DEPUTY BUSH WAS ESCORTING OUR SURVEY CREW ALONG THE ROAD BY MS WHORLEY'S PROPERTY. LT EARLOW ARRIVED TO DISCUSS THE SITUATION AND INFORMED US THAT SHOULD WE BE SEPARATED FROM DEPUTY BUSH AND FEARED FOR OUR SAFETY WE SHOULD CALL 911 FOR ASSISTANCE. WE CONTINUED WORKING DOWN THE ROAD RIGHT OR WAY WHILE PULLING OFF THE JOB FOR LUNCH. WHEN WE RETURNED FROM LUNCH, BUSTER AND I STAYED BY THE INSTANTANT TO BECOME FROM WHERE WE LEFT OFF WHILE TOMMY SAID WE WENT THE OUR PREVIOUS POINT TO SET UP A BACKSIGHT. MS WHORLEY PULLED UP BY TOMMY'S TRUCK WHICH WAS OFF TO THE SIDE OF THE ROAD. ~~SHE~~ ~~WAS~~ ~~IN~~ ~~THE~~ ~~ROAD~~ AND SHE WAVED OUT LEAVING THE DOOR OPEN AND PROCEEDED TOWARDS TOMMY GOING BEHIND THE TRUCK. BUSTER ASKED DEPUTY BUSH TO GO DOWN THERE AND MAKE SURE EVERYTHING WAS OK. SHE HEADED DOWN WITH HER LIGHTS ON PULLING BEHIND MS WHORLEY'S CAR IN THE ROAD. AFTER DEPUTY BUSH ARRIVED MS WHORLEY GOT BACK IN HER CAR AND SPED TOWARDS BUSTER AND MYSELF. SHE DROVE PAST AND PULLED INTO A DRIVEWAY, TURNED REARWARD AND SPED BACK PAST US AND FAST DEPUTY BUSH, TOMMY AND WIL CROSSING INTO THE ONCOMING LANE. AS SHE DROVE PAST WE WERE FEARED OF BEING HIT BY HER VEHICLE. TWO OTHER SHERIFFS CARS CAME TO HER HOUSE TO AID WITH THE SITUATION.

2-27 MS NELLIE SUE WARLEY Approached  
O FREEMAN RD. I did not hear the  
sound see she was very upset that  
when the survey crew chief my Redman  
whom she knew in the pasture where  
it looked up and said Ms. Warley  
I'm sorry I thought the pasture  
is to be a Redman will Hillman  
do not want to let him know to leave  
then went to the edge of the  
and then said SPEECH BACK THROUGH  
I thought we were there in front  
of the road when she started through  
I called back asking her what to do  
with the road in that year. The officer  
I did not understand and she left  
with me returned she pulled beside  
while at rd contacted me at back of  
told her name was member said she  
I told her neither one had said  
she then told me she would be  
with the afternoon I did not agree  
at that time officer Bush approached  
started raising hell with her telling  
himself to do. During all of this  
she had down the rd close to sheriff's  
vehicles and people standing around.  
any way did any thing to prevent

## Survey and Inspection Permit

PROPERTY: A tract or parcel of \_\_\_\_\_ acres in  
(L.I.) Barrow County, Georgia,  
accessible from Deerway Road (Hwy.)

Project  
JIM MOORE - SHARON CHURCH T/L  
Project No. 77850  
Tax Parcel No. YX026-052

PERMISSION IS HEREBY GIVEN FOR GEORGIA TRANSMISSION CORPORATION ("GEORGIA TRANSMISSION"), ITS AGENTS AND EMPLOYEES TO ENTER UPON THE PROPERTY IDENTIFIED ABOVE FOR THE FOLLOWING PURPOSES AND SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS:

### I. PURPOSES

- To locate the corners and survey portions of the Property.
- To verify the existence, type, and location of any improvements on the Property such as structures, roadways, utilities, crops, and fences.
- To verify the natural and biological features of the Property such as its topography, ponds and water courses, soils, wildlife, trees and surface vegetation.
- To locate and survey a proposed substation site and/or survey and stake the centerline for a proposed electric transmission line, and,
- To otherwise examine, survey, appraise, test and inspect the surface and subsurface and photograph said Property and perform related studies necessary for the purpose of finalizing plans for possible electrical facilities consistent with sound engineering practices, applicable laws, and applicable regulations,
- Such entry to occur on separate occasions by persons acting for and under the direction of Georgia Transmission.

### II. TERMS & CONDITIONS

1. RISK TO PERSONS ENTERING PROPERTY. Except in the case of willful injury or gross negligence, Property Owner shall not be responsible for the safety of any persons entering under this Permit. All Georgia Transmission representatives who enter upon the Property shall do so at their own risk.
2. CLEARING LINE-OF-SIGHT. Georgia Transmission may cut trees where necessary to clear lines of sight for surveying. Georgia Transmission will minimize clearing activities to only those necessary.
3. INDEMNIFICATION. Except as noted in Term 2 above, Georgia Transmission will be responsible to the Property Owner, as at law provided, for any damage done to the Property as a direct result of work performed by Georgia Transmission representatives. Also, Georgia Transmission agrees to indemnify Property Owner and save the Property Owner harmless from any claims, suits, or judgments arising out of injury to person or damage to property proximately caused by Georgia Transmission representatives.
4. TERM OF PERMIT. This Permit shall be effective from the date hereof and shall expire twenty-four months thereafter.
5. PROPERTY INFORMATION; COMMENTS. Please indicate any existing buildings or activities on your property where special care should be taken to avoid disruption. For example, are there any: Residence or Other Structures \_\_\_\_\_; Road & Gates \_\_\_\_\_; Areas Leased \_\_\_\_\_; Crops or Livestock \_\_\_\_\_; Buried Pipelines \_\_\_\_\_; Cemeteries \_\_\_\_\_; Landmarks \_\_\_\_\_; Things to Avoid \_\_\_\_\_.

This inspection does not convey any right-of-way nor fee interest; it just grants permission to perform the activities stated above.

This 5<sup>th</sup> day of Nov., 2006
